Toxicology Associate

Intrinsic Corp., is a North American consulting firm that is a recognized leader in toxicology and human health risk assessment. We are continuing to grow, and always welcome candidates with strong scientific skills, creativity and enthusiasm to join our team.

Intrinsic has an opening for a **Toxicology Associate** in our Chemicals and Consumer Products group at our Mississauga, ON, Canada location. This is a full-time, hybrid position.

We aim to offer our employees an environment that encourages professionalism, creativity, independence and continual learning. The assets of any knowledge-based company are its people, and we believe strongly in investing in those assets by offering training and mentoring to our employees.

The position would involve providing support to other toxicologists at the firm related to:

- Completion of scientific literature searches.
- Critical review of scientific literature.
- Compilation of toxicity and regulatory data.
- Classification of chemicals for various toxicological endpoints.
- Preparation of toxicological profiles for a wide range of chemicals.
- Conducting human health risk assessment of chemicals in consumer products under conditions of intended use and misuse of the product.

The successful candidate would ideally have the following qualifications:

- Minimum BSc in Life Sciences, preferably in toxicology.
- Demonstrated proficiency with literature searching.
- Excellent verbal and written communication skills, including strong interpersonal skill with the ability to effectively communicate with colleagues and clients at all levels.
- Strong organizational skills.
- Ability to multi-task (multiple projects/issues) and adapt to dynamic work situations where priorities are subject to change at any time.
- Ability to work independently and as part of a team.
- Ability to adhere to standard operating procedures (SOPs) and general guidelines involved in conducting a project.
- Demonstrated proficiency in Microsoft Outlook, Word, PowerPoint, Access, and Excel.

Interested candidates may submit their resumes via e-mail to Heather Wilson at hwilson@intrinsic.com. We thank all candidates for applying; however, only those considered for an interview will be contacted by Human Resources.
